

EMA-520-004-A Environmental Policy / *Política de Medio Ambiente*

ENVIRONMENTAL POLICY

Novation will conduct our operations in a way that is protective to the environment. We will maintain an environmental management system that will serve as a framework to achieve the following goals.

Regulatory Compliance

We will identify, evaluate, and comply with all applicable federal, state & local environmental laws and environmental requirements of our customers as well as industry standards.

Prevention of Pollution

We will seek, first, to cost-effectively avoid the creation of pollution and waste from our operations, and second, to manage remaining waste through the safe and responsible method. Where practical, we will strive to reduce the company's carbon footprint (meaning promoting environmental protection specific to the context of the business and protection of the environment).

Conservation

We will strive to diminish our consumption of natural resources, using sustainable resources where practical feasible. We will strive for continual improvement of our environmental performance.

POLÍTICA DE MEDIO AMBIENTE

Novation llevara a cabo nuestras operaciones de manera que proteja el medio ambiente. Mantendremos un sistema de administración ambiental que servirá de marco para lograr los siguientes objetivos.

Cumplimiento Normativo

Identificaremos, evaluaremos y cumpliremos con todas las leyes ambientales federales, estatales y locales y los requisitos ambientales de nuestros clientes, así como con los estándares de la industria.

Prevención de la Contaminación

Buscaremos primero, evitar la creación de contaminación y desechos usando métodos económicos. Segundo, manejar los desechos restantes de una manera responsable y segura. Donde sea práctico, nos esforzaremos a reducir la huella de carbono de la compañía (es decir, promover la protección del medio ambiente específicamente en un contexto de negocios y protección del medio ambiente).

Conservación

Nos esforzaremos por disminuir nuestro consumo de recursos naturales, utilizando recursos sostenibles, donde sea prácticamente factible. Nos esforzaremos por mejorar continuamente nuestro desempeño ambiental.
